Chaperone Guidelines for Visiting the Michigan State University Museum

☐ Please stay with your group at all times.
☐ All children must be supervised while visiting the museum.
☐ Keep your group together and focused on the exhibits.
☐ Set an example for your group – be interested, involved and enthusiastic.
☐ Our high ceilings amplify noise so encourage students to speak at an indoor level.
☐ Stairs and hallways can get crowded. Please do not congregate in these areas.
☐ Running and pushing are not permitted in the museum.
☐ No food, drink or gum is allowed in the museum.
☐ Visit the Museum Store in small (less than 6 at a time) supervised groups.

By following these guidelines, you are helping to keep the MSU Museum a fun, safe and educational environment for all our visitors. Groups that do not follow these guidelines may be asked to leave.

Enjoy your visit to the MSU Museum!
