Bib-Tags
A disposable tag eliminates the need to worry about turning in your chip after the race and allows you to spend more time focusing on competing. Shorter lines before the race to pick up your bib and chip, and no line to return your tag or chip afterwards, are just some of the benefits to the Bib-Tag system.

The Bib-Tag is easy to use- it is attached to your number bib- you don’t have to do anything to use aside from pinning your number onto your shirt. We do ask that you DO NOT FOLD or BEND YOUR BIB IN ANY WAY. This could compromise the tag causing it to not work accurately.
