

## **Guidelines for Chaperones**

Thank you for being a museum chaperone! Chaperones play a big role in making the your students' visit a success. To make this happen, please follow the guidelines below and review them with your group.

- ✓ Please stay with your group at all times.
- ✓ Keep your group together and focused on the exhibits or class assignment.
- ✓ Set an example for your group: Be interested, involved, and enthusiastic.
- ✓ Encourage questions and reactions from students.
- ✓ Our high ceilings amplify noise, so encourage students to speak at an "indoor level."
- ✓ Most exhibits are not "hands on" and some objects are fragile. Touch only exhibits with "touch me" signs.
- ✓ Stairs and hallways can get crowded, so be sure not to congregate in these areas.
- ✓ No food, drink, or gum is allowed in the museum, except in specified areas.
- ✓ Visit the Museum Store in small, supervised groups (6 people or fewer).

By following these guidelines, you are helping to make your visit to the MSU Museum a fun, safe, and education experience. If you have any questions, please talk to your group organizer, docent, or a museum staff member.

**Enjoy your visit to the MSU Museum!**
