

Bus and Parking Information

Buses may not park in the Museum driveway after students disembark. Police regulations state that drivers must park in Commuter Lot 89 at the intersection of Farm Lane and Mt. Hope Road.

If groups or chaperones arrive in private cars or vans, there are a limited number of pay-by-plate spaces in front of the Museum. Payment may be made using the Spot On app. Additional pay-by-plate visitor parking is available in Ramp 6, a short walk from the Museum.
